EVERYDAY LECTERNS

We are pleased to offer these beautifully crafted floor lecterns in three distinct styles.

More than making a stunning presentation, PS Furniture lecterns feature intelligent designs. All models feature wheels for ease of movement room-to-room. Standard features include ample storage compartments and a large work surface to accommodate laptops, binders, etc. Other custom installed options and accessories are available to perfectly suit your space and purpose.

ULTRA-PORTABLE LECTERNS

When ease of movement is essential, three of PS Furniture's ultra-portable lecterns stand out.

The New Dimensions™ model is a folding lectern that sets up easily and in a flash. This lectern looks great and stores in a minimal amount of space. It is less than five inches thick when folded, plus is lightweight and easy to carry. Choose the New Dimensions™ lectern when speed and portability are vital.

The Lecternette® is the original, patented, portable public address system. Everything needed for convenient operation is contained in one, easy-to-use single folding cabinet. Ample storage space is provided for accessories and all controls are at your fingertips.

Our Portable Folding Lectern is a high-pressure laminate surfaced folding lectern that sets up and tears down easily thanks to its hidden hinges. Put your personalized touch on it with a wide array of laminate options or get creative with your own custom graphics.
