PS Furniture is Furniture for Flexible Spaces. Higher Education - from collaborative learning, to varied dining to incredibly diverse living spaces - calls for greater flexibility than ever.

Some of our products for multipurpose use and portability includes:

1. Ultra-lightweight patented Revolution® training and café tables. Lightweight is the new "must have".
2. Scissor® folding/rolling tables are very possibly the perfect full size table solution for tight or odd shaped spaces.
3. Rollers® height adjustable flip-top tables deliver zero lift portability.

Founded in 1919 in western Pennsylvania, most of the products we sell are produced and shipped from our Pennsylvania factory.
