CRESPO | Momentum Textiles

Crespo is a classic small scale crepe weave, random yet uniform, and solid in color. 100% Post consumer recycled polyester, and 500,000 double rubs, this plain texture is offered in on trend colors perfect to accentuate office furniture.

100% Post-consumer recycled polyester
500,000 double rubs

EGO | Momentum Textiles

A classic basket weave with a classic heathered look, this refined fabric brings subtle sophistication and broad useability. Ego offers a soft hand reminiscent of woolen suiting material and is very durable with over 100,000 double rubs.

85% Polyester, 15% Viscose rayon
250,000 double rubs

NESTLE | Momentum Textiles

As the name implies, Nestle offers a very soft hand with no sacrifice to durability of over 100,000 double rubs. The specialty weft yarns are composed of fine filaments of different colors, which give a speckled effect and wonderful soft feel.

67% Polyester, 33% Post-consumer recycled polyester
200,000 double rubs

SCATTER | Momentum Textiles

This weave is carefully crafted to offer the aesthetic of a larger scale multicolor crepe effect, with the durability required for commercial upholstery. The two-tone weft yarns offset by the random nature of the warp create a surface effect which provides visual interest without being disruptive.

78% Polyester, 22% Post-consumer recycled polyester
90,000 double rubs

CARSON CV | Momentum Textiles

This Phthalate-free Clean Vinyl features a classic leather grain at just the right scale and with just the right amount of surface sheen to distinguish itself. Carson is very versatile, and extremely durable with over 500,000 double rubs, and is a natural liquid barrier.

100% Clean Vinyl/Phthalate free
500,000 double rubs
