# MÜM™

Müm™ is a collection of “touchdown” or “perch” seating created from a modular set of components. Using one standard top section, customers can choose from alternative bottoms to fit their needs (rock, roll or stationery bottom and high options). The rock and roll executions of Müm™ are designed to enable movement while seated, though Müm™ is lightweight and very easy to relocate.

## FEATURES

- Interchangeable bottom styles provide a range of options
- Designed to fit a variety of settings from a low coffee table, desk, sit/stand table or counters
- Light, dark or black hardwood base color options
- Vinyl handle allows ease of relocation
- Lightweight construction for easy mobility
- Structure made entirely of high quality wood
- Layered, molded memory foam construction is soft enough for extended seating comfort
- Textile is green guard certified
- Vinyl handle is integrated in the internal structure for durability when carrying and without wear on fabric

## FABRIC - COM COMPLIANT

PS Furniture is committed to offering furniture solutions. That is why Müm is COM compliant, to allow for Müm to fit every consumer and designer’s space needs. It is our hope that through a wide range of upholstery options offered across the Müm line, every consumer will be able to walk away satisfied.

### BOTTOM STYLES

- Rock Bottom styles offers opportunity for movement to promote healthy body motion
- Roll Bottom style offers easy mobility over a variety of surfaces
- High Bottom styles offer a solution for sit/stand desks and have a slight kick inward for foot comfort
- Styles have max base width of 16.7”

### HANDLE

- Leather handle is integrated in the internal structure for durability when carrying and without wear on fabric
