

MAXX Edge® Laminate Top Folding Tables feature our poured urethane edge that adds a perfect finish. Literally bonded to the table core, MAXX Edge® leaves no gaps for food or bacteria to collect and no unsightly seams. MAXX Edge® is offered in six different color options and is a major improvement to traditional T-molded edging!

LEG OPTIONS

Gravity-lock folding legs are strong, safe and built to last.

Self-locking, 1.5" diameter square folding legs are the traditional choice for ultimate handling convenience.

FEATURES

MAXX Edge® adds a perfect finish to your tables.

Plywood core bonded edge means no gap between the edge and the table.
