

Our 600 Series Plywood Top Folding Tables feature 90° square corners, a rugged yet finished C-Channel aluminum edge and a self-locking 1.5" diameter square folding leg.

In order to virtually eliminate maintenance, we have added a state-of-the-art, Ultraviolet Light Cured polyurethane coating to the table top surface. This UV cured polycoating is attractive and ultra-hard for years of service without care.

TOP SURFACE

Choose from UV coated wood or foam padded white top surface.

SELF-LOCKING FOLDING LEG

The traditional choice for ultimate handling convenience.

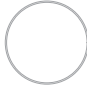

UNITIZED CHASSIS

Steel rails and folding legs are riveted to form a single unit.

EDGE

"C-channel" aluminum edge for extra edge protection.
