REVOLUTION SHIELD™ FLIP-TOP TABLES WITH AMULET® BALLISTIC BARRIERS*

Revolution® tables have always been amazingly lightweight - literally 2/3 lighter than traditional particleboard or MDF tables of the same thickness. PS Furniture's NEW Revolution Shield™ Flip-Top Tables with Amulet® Ballistic Barriers* add a new dimension where lightweight still matters, only now it's secondary to ballistic protection.

FEATURES

- Revolution Shield Flip-Top Tables have Amulet® 1 and 2 Ballistic Barriers as part of the table core and modesty panel, respectively.
- Amulet's Amulet 1 and 2 Ballistic Material has been extensively tested to prove it can stop hand-gun bullets.
- Amulet 1 and 2 Ballistic Materials deliver NIJ IIIA and UL752 handgun protection (fired from .22 caliber to .44 Magnum handguns), with multi-hit, non ricochet capability
- Patented, lightweight Revolution® core technology is an estimated 30lbs. lighter than traditional particleboard tables.
