

Our EventXpress™ Seamless Portable Dance Floor combines an exterior glue Douglas Fir plywood base with a vinyl dancing surface. A full panel sheet of seamless vinyl replaces 12" x 12" tiles and there are six vinyl patterns to choose from including four beautiful wood grain designs, as well as Solid Black and Solid White! EventXpress™ Seamless is the only continuous surface vinyl portable dance floor product on the market, delivering a superior dancing experience.

FASTER SET UP

Cam-lock fastening reduces installation and dismantle time. Hex key available in standard and extended lengths.

SOFT CORNERS

One-of-a-kind polyurethane corners interlock with center edge trim sections and eliminate the need for mitered trim sections. Provides superior safety from sharp edges and comes in Black or Gray.
