Revolution Shield®

WITH AMULET® BALLISTIC BARRIERS

Revolution® tables have always been amazingly lightweight - literally 2/3 lighter than traditional particleboard or MDF tables of the same thickness. PS Furniture's NEW Revolution Shield™ Flip-Top Tables with Amulet® Ballistic Barriers* add a new dimension where lightweight still matters, only now it's secondary to ballistic protection.

Extended Modesty Panels extend to the full length of the tables for greater protection.

FEATURES

- Revolution Shield Flip-Top Tables have Amulet® 1 and 2 Ballistic Barriers as part of the table core and modesty panel, respectively.
- Amulet's Amulet 1 and 2 Ballistic Material has been extensively tested to prove it can stop hand-gun bullets.
- Amulet 1 and 2 Ballistic Materials deliver NIJ IIIA and UL752 handgun protection (fired from .22 caliber to .44 Magnum handguns), with multi-hit, non-ricochet capability
- Two Modesty Panel Versions:
 - **Standard Modesty Panel**
 - Dimensions: 50/62"L x 16.5"W
 - Fits in line with the profile of the legs when in flipped position
 - Aligns with the legs and is 5" from the table edge on each side
 - **Extended Modesty Panel**
 - Dimensions: 60/72"L x 16.5"W
 - Cutout design adds extended length to the modesty panel coverage when in the flipped position
 - Fits snugly over the tables metallic leg base to create protective wall
 - 2 tables pushed together act as a wider ballistic wall (shown above)
