PS Furniture is committed to offering furniture solutions. That is why Müm is COM compliant, to allow for Müm to fit every consumer and designer's space needs. It is our hope that through a wide range of upholstery options offered across the Müm line, every consumer will be able to walk away satisfied.

The following illustration shows the optimal textile stretch for the application of COM on the Müm product. The chosen textile can be woven or knit provided it has the qualities illustrated below.

1. Little to No Stretch in Crosswise Grain

2. Little to No Stretch in Lengthwise Grain

3. Must have stretch across bias and must not permanently deform when stretched on bias.
